

Rocaf Project

Rochdale Community Advocacy & Families Support Project

For better
mental health

Registered charity No. 519916

Rochdale & District Mind in partnership with
Partners of Prisoners and Families Support Group

Stakeholders Event

Rocaf is a new project that seeks to support offenders with mental health problems, and their families

- Aims include: providing mental health advocacy for offenders outside of secondary care.
- Support offenders to understand and access mental health services
- Support families of offenders to improve and maintain mental wellbeing as well as finding pathways to navigate through the mental health system
